**Dr. Dmitry Finkelberg | Dr. Daniel Donahue | Megan Walsh, PA**

June 25, 2025

Dear Patient,

We are writing to inform you that West Suburban GI will be permanently closing as of September 30, 2025. Dr. Finkelberg has accepted a position at Heywood Hospital in Gardner, MA. As many of you know, Dr. Donahue had planned to retire at the end of the year, but will now do so earlier. This decision was not made lightly, and we are deeply grateful for the trust and confidence you have placed in us over the years.

Providing high-quality gastroenterology care to our community has been a great privilege. Whether we have cared for you briefly or over many years, we sincerely thank you for allowing us to be part of your health journey. To ensure a smooth transition, we recommend that you begin the process of establishing care with another gastroenterologist as soon as possible. You can consider

- Continuing care with Dr. Finkelberg; he would be more than happy to continue your care at Heywood Hospital. After September 1<sup>st</sup>, you may call 978-669-5522 to book your visits with him.
- We know UMass GI is accepting new patients and has recently hired new providers. We offer this as it can be an easy transition as we share an electronic records system, and they can easily access all your records;
- The Board of Medicine in Massachusetts offers Physician Profiles, which are a comprehensive resource for finding and learning about doctors in Massachusetts. You can access these profiles on the FindMyDoctor.mass.gov website.

If you would like assistance in locating a new provider, please don't hesitate to contact our office before September 30, 2025.

Your medical records will remain confidential and can be transferred to the provider of your choice. To request a copy or transfer of your records, please contact us at 508-281-0600 or email us at [info@westsuburbangi.com](mailto:info@westsuburbangi.com). You may also complete a records release form, which is available on our website ([www.westsuburbangi.com](http://www.westsuburbangi.com)) or in our office.

If you have any outstanding appointments scheduled beyond September 30, 2025, our staff will be reaching out to cancel and, where possible, assist in rescheduling with another provider.

In closing, we at WSGI would like you to know what an honor it has been to enjoy your trust over the years. Thank you again for allowing us to serve you. We sincerely wish you the very best in your health and wellness moving forward.

Sincerely,

Dmitry Finkelberg, MD  
Daniel Donahue, MD  
Christine Miller, Practice Manager
